In Upper School a few things will change.....

I will come in this gate,

down the path to the gate,

and in this door.

I will have a new peg outside of my  
classroom.

I can do OPAL on the big yard,

the field and woodlands!

I will still choose my lunch and collect it  
from the hatch

but I will eat in the Upper School Hall.

I will use the toilets in the corridor  
where my classroom is.

I will line up on the yard to be collected at  
the end of the day.

I will still have afternoon break and go to any clubs.

All of my class will be there with me.
