In September I will be in the 2-3 room of Preschool. In Preschool we are lucky to have our own room...

and outdoor space....

New routines...

I will come into the school yard through this gate...

walk down the yard, and to the main entrance. An adult will meet me here, so my grown up can hand me over.

I will use the toilets in my classroom.
Adults will support me and we have our
own changing room.

I will have a peg in my classroom. My name
will be there to help.

I will eat at these special tables, if I stay for lunch.

I will wear my uniform to school each day, this might be a red or a white top with black or grey trousers or shorts.

Everyday I will need a water bottle and my drawstring bag. I may want to bring a change of clothing in my bag.

Soon my teacher will give me a library book and my family book, these will be brought to school when needed too.
