Class 10

My new class is class 10. I have visited my new room, it is in a new corridor. I know this building well now!

In year 5 I will have a new room and a new teacher, but a lot of things will stay the same...

I will come in through this gate.

but now I can go down the path and straight into the Y5/6 corridor.

I can walk out of school at the end of the school day, if my grown up wants me to and gives consent on Arbor.

I will use the Y5/6 toilets in my corridor

I will have a new peg outside my classroom. My name will be there to help.

I will eat lunch in the Upper School hall and I will have assemblies in here too.

I will be able to use all of the new OPAL areas, including the woodlands!

I will wear my uniform every day:

- red / white top or red school dress
- red jumper / hoodie / cardigan
- black trousers / shorts
- fully black trainers/shoes

I will see all of my friends outside at playtime.

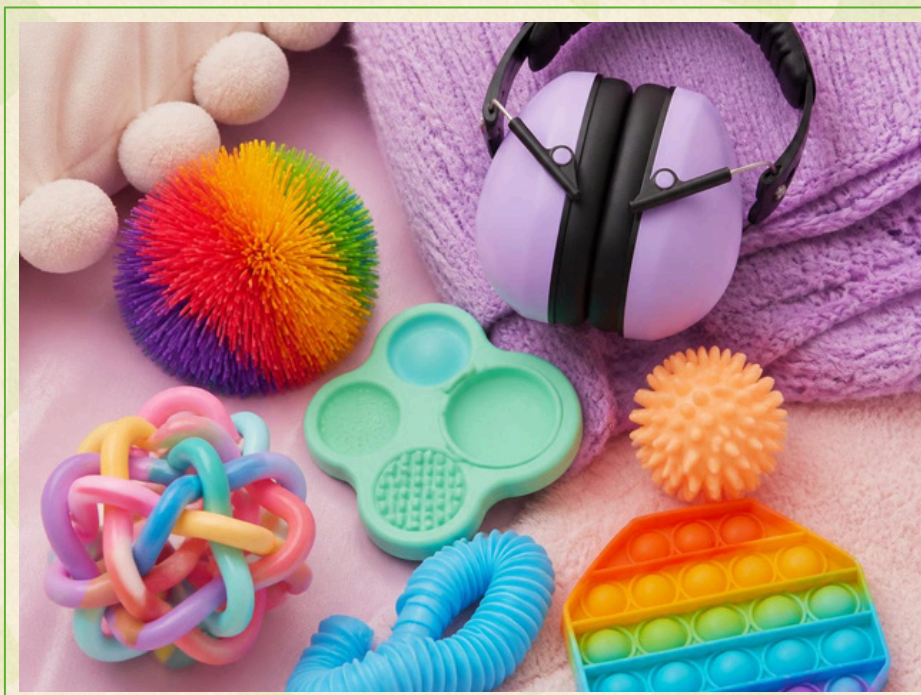

I can choose my lunch each day or bring a packed lunch.

I will change my library book each week in our new library.

I will have support and help when I work, there will also be resources for me to use independently.

If I need them, all of the helpful things we had last year are available (movement, reset areas, ear defenders and fidgets etc).

I should bring my things in a drawstring bag, plus a named water bottle.

I might be moving classrooms but I know my way around well and the staff know me too.

Lessons I will have...
