Mrs Parker
Office Manager

Mrs Smith

Mrs Humble

Miss Milburn

Class 4

My new class is class 4.

In September I will be able to use different areas across class 3 and 4 to play and learn, just like I did last year. I will also be able to access our outdoors.

In year 1 many things will stay the same...

I can enjoy all of our OPAL areas at lunchtime.

I will wear my uniform every day:

- red / white top or red school dress
- red jumper / hoodie / cardigan
- black trousers / shorts
- fully black trainers/shoes

I will play on the same yard.

Have access to play outside as part of my learning.

I will eat lunch in the same hall.

I will have all of my friends around me.

In year 1 a few things will change, but the adults will help me while I get used to these changes.

I will come in through this gate.

I will use the Y1 toilets next to my classroom.

I will learn how to work more independently in small groups.

I will have my own peg in the Year 1 cloakroom. My name will be there to help.

I should bring my things in a drawstring bag, including my reading packet (when I get my new one). I will also need a named water bottle.

I will be in the oldest year group in my building, I know I can set a great example to others!

Lessons I will have...

★ Maths & English

★ Science

★ Computing

★ PE

★ History/Geography

★ Art / DT

★ RE

★ PSHE

★ Music
