Class 9

My new class is class 9. I have visited my new room, it is in the same corridor as Y3 was. I know exactly where to go, but the adults will help me if I forget.

In year 4 I will have a new room and a new teacher, but a lot of things will stay the same...

I will come in through this gate.

walk across the main yard and in through this door.

I will be collected from the main school yard. I will line up with my class here.

I will use the same toilets in my corridor

I will have a new peg outside my classroom. My name will be there to help.

I will eat lunch in the Upper School hall and I will have assemblies in here too.

I will be able to use all of the new OPAL areas, including the woodlands!

I will wear my uniform every day:

- red / white top or red school dress
- red jumper / hoodie / cardigan
- black trousers / shorts
- fully black trainers/shoes

I will have all of my friends around me and we can all play together outside.

I can choose my lunch each day.

I will change my library book each week in our new library.

I will have support and help when I am working, but I will learn to be even more independent.

If I need them all of the helpful things we had last year are available (movement, reset areas, ear defenders and fidgets etc).

I should bring my things in a drawstring bag, plus a named water bottle.

I might be moving classrooms but I know my way around well now and the staff know me well.

Lessons I will have...

★ Maths & English

★ Science

★ Computing

★ PE

★ History/Geography

★ Art / DT

★ RE

★ PSHE

★ Music.
