Our Environment

In September I will be in The Tulips Room but we are lucky to have 3 rooms to play in. I will also be able to play outside most of the time too.

New routines

I will come into the school yard through this gate...

cross the yard and walk down the hill towards The Meadows.

I will come into The Meadows outdoor area and walk straight across to the path.

I will go along the path and through the gate to The Tulips entrance. There will be a member of staff to meet me, so my grown up will say goodbye here. Staff will take me inside.

Unfortunately grown ups can not come in.

The Meadows has two sets of toilets, steps to help and a changing room.

I will have my own peg to keep my coat on. My name will be there to help me find it. I will have space to keep my wellies outside too.

I will eat lunch in the hall,
which I choose each morning.

I will wear my uniform to school each day:

- red / white top or red school dress
- red jumper / hoodie / cardigan
- black trousers / shorts
- fully black trainers/shoes

Everyday I will need a named water bottle and my drawstring bag. I will need to bring a change of clothing and any nappies too.

Soon I will also get to choose a library book, these will need brought to school in my bag too.

Hometime

After lunch I will collect my things and sit with my friends until an adult tells me it is time to go home.

My grown up will come down the school drive, through the gate and wait on the small yard. A member of staff will see me out to my grown up.
